The Club actively promotes an interest in BMW motorcycles, organises regular rides, and offers a social forum for members to interact with like-minded enthusiasts who are friends of the BMW marque. Based in Port Elizabeth the club has an enthusiastic and growing community of over 200 members, not only from Port Elizabeth but from areas up to Grahamstown and along the Garden Route to Tsitsikamma. The Club is the official BMW motorrad owners association of the Eastern Cape and is affiliated to BMW Clubs Africa, and thus the World Council of BMW Motorrad Clubs, and as a result enjoys widespread recognition and support.
